**NCBA grants wishes to families and children**

In December 2016, NCBA launched its *One Wish* promotion in an aim to positively impact the life of a special child or family by granting one wish that caters to their need.

There were approximately 40 submissions and the review committee saw the need to grant several wishes rather than just one as initially planned. As several of the submissions were specifically related to the provision of school items, such as uniforms and books, the decision was made to postpone the handover ceremony until the start of the new school year. The winners were as follows:

Ranced Michael Hughes  
Shermari Brodie  
D'marion Rogers  
Kemoni Browne  
Defari Francis  
Diamond Krystal Laurent

The Bank would like to thank all persons who took the time to submit the various nominations and we are very pleased to be in the position to provide these items to the various families and children. We extend best wishes to the recipients for the new school year ahead.
