“Cheers to 50 Years”

The National Commercial Bank of Anguilla Ltd is proud to announce its offerings in celebration of the 50th Anniversary of the Anguilla Revolution. As the only indigenous bank on the island we take much pride in this day and what it means to our people of Anguilla. With this in mind NCBA is proud to launch its ***Cheers to 50 Years*** campaign which commences on May 1st through to May 31st with the following details:

- All new persons signing up for the NCBA Visa Debit Card will be entered into a drawing for a chance to win a credit of \$50 towards their account
- All new persons who enroll their Visa Credit Card in the Verified by Visa programme will be entered into a drawing to win a credit of \$50
- The 50th person to make a deposit at the ATM during the month of May will be eligible for a \$50 prize.
- To increase awareness about the events of the Anguilla Revolution and our heroes and heroines, each week during the month of May we will be updating our Facebook page with various aspects of that period. This will also include trivia questions so prizes will also be awarded for persons who respond.

NCBA is also proud to launch its special Term Deposit - the NCBA 50 @ 50 Bonus CD. This new CD can be opened anytime between May 1st and 31st and is a 50 month product earning a much higher interest rate than our normal CDs.

In recognition of the significant role that the Anguilla Revolution played in our history, the Bank is pleased to contribute to the Education Department 50 tickets for the play “*Pepper in dey Soup*” a re-enactment of the 1967 Revolution, which will be provided to 50 students of the various Grade 6 classes of the primary schools. This initiative is an

excellent avenue for our youths to learn more about the events of that time and the reason why we are so proud to celebrate Anguilla Day!

On behalf of the Board of Directors and Staff of NCBA we thank our many heroes and heroines for the sacrifices they have made and wish the people of Anguilla the very best during this celebratory month of May!!

NCBA One Bank...One Brand...Committed to Customers
