CHAIRMAN OF NCBA CONGRATULATES EMPLOYEES WHO RECENTLY ACQUIRED UNIVERSITY DEGREES

October 17, 2016:

Dear NCBA's staff members:

On behalf of the Directors, Management and staff of the National Commercial Bank of Anguilla (NCBA), and on my own behalf, I extend warmest congratulations to those three members among you who recently graduated with degrees from the distinguished University of the West Indies, having pursued their studies right here in Anguilla via the UWI Open Campus Anguilla. The staff members, to whom I refer, are Lenisha Richardson (BSc. Business Management), Leslie Gumbs (BSc. Business Management) and Melesa Anderson (BSc. Accounting). They have done themselves, and our bank proud, and deserve our highest commendations. Keep up the good work, ladies – and never lose sight of the fact that it is your attitude which determines your altitude.

I take this opportunity to urge you to continue your pursuit of education and aim for the next level while your brain is still young. The world is becoming more and more competitive and it would do you well to aim at staying ahead of the pack and thus seize those opportunities that will come your way.

I want to remind you that education is power – social, economic and political – and that it is in your best interest, and that of your beloved island, to access as much of it as you can for the advancement of yourself, your family and your island.

Once again, congratulations to all of you. Well done. NCBA and Anguilla need you.

Yours sincerely

Colville L. Petty
Chairman of the Board of Directors
